

# The Git Up

Blanco Brown

Now that I got you all loose  
Get on your boots  
Put it on loop  
Blanco

Let me see you two steppin', one, two step  
Do the cowgirl boogie whoop ya hands like this  
Take it to the floor with a whole lotta drip  
Now, show off your moves in your new outfit  
Get low (Get low)  
Get low (Get low)  
Get low and wind it up slow  
Groove to the sound of the banjo  
Ling-a-ling-a-ling  
Give a little more

My knee bone connected to my thigh bone  
My thigh bone connected to my hip bone  
My hands and my waist, I'ma twist on  
From left from left to right

Giddy-up, giddy-up, giddy-up, giddy-up  
We can giddy-up all night long  
Giddy-up, giddy-up, giddy-up, giddy-up  
We can giddy-up all night long

Gon' and do the two-step then cowboy boogie  
Grab your sweetheart and spin out with 'em  
Do the hoedown and get into it  
Take it to the left now and dip with it  
To the right now, take a sip with it  
Now, lean back, put ya hips in it  
(It's simple, you can do it)

Slide to the left, slide to the right  
Now cool down, have a good time  
Slide to the left, slide to the right  
Do the butterfly, have a good time

'Round, 'round, 'round and 'round you go  
It's time to show out right now and take it to the floor

Gon' and do the two-step then cowboy boogie  
Grab your sweetheart and spin out with 'em  
Do the hoedown and get into it  
Take it to the left now and dip with it  
Gon' throw down, take a sip with it  
Now lean back, put your hips in it

(To the left)  
Take it down now, take it, take it down now  
Take it down now, take it, take it down now  
(To the right)  
Bring it up now, bring it, bring it up now  
Bring it up now, bring it, bring it up now  
(To the front)  
Take it down and crisscross

Bring it up, now crisscross  
(To the back)  
Do whatever you like right here (Get down)  
Just have fun

Gon' and do the two-step then cowboy boogie  
Grab your sweetheart and spin out with 'em  
Do the hoedown and get into it  
Take it to the left now and dip with it  
Gon' throw down, take a sip with it  
Now lean back, put your hips in it

That was not so bad, that was not so bad, was it?  
That was not so bad, that was not so bad, was it?  
That was not so bad, that was not so bad, was it?  
That was not so bad, that was not so bad, was it?
