Right now
I just need you to get real loose
Get comfortable
Grab your loved ones or grab your love partner
And if you're by yourself no worries
Just follow after me

Gon' and do the 2 step then cowboy boogie
Grab your sweetheart and spin out with 'em
Do the hoedown and get into it (Woooo Whoooo Whoooooooouuu)
Take it to the left now and dip with it
Gon' throw down take a sip with it
And lean back put your hips in it (Woooo Whoooo Whoooooooouuu)
Let's have some fun

To the right to the right (To the right)
