

Pacifico

Blanco White

I slept ever restless
Sun don't set
And followed the pilgrims
To Finisterre

Came to tell you that I
Had to see you 'cause I
Went away too long
Came to tell you that I
Had to see you 'cause I
Can't pretend no more

I dreamt we were sailing
A silver boat
Cirrus and boundless
Pacifico

Came to tell you that I
Had to see you 'cause I
Went away too long
Came to tell you that I
Had to see you 'cause I
Can't pretend no more

It's unresolved
Did I dream it right?
You know, we've never stopped
Changing course

Came to tell you that I
Had to see you 'cause I
Went away too long
Came to tell you that I
Had to see you 'cause I
Can't pretend no more

Came to tell you that I
Had to see you 'cause I
Went away too long
Came to tell you that I
Had to see you 'cause I
Can't pretend no more
No more
