Put 120 on horses Kirky

Put 120 on Tottenham

Bergwijn didn't even shoot on target but Harry Kane and Son did Gamble your life on the front line

Bet me I'm gonna bag this sexy

Bang that goal Kulusevski

Free kicks when I walk in Footasylum

That's my little set piece

Back pass she didn't even know

That I knew her man more indirectly

Tiger stripes not a BBL but the BBL just gets me

Bet that corn gonna get them all jet lag

Loan from the shark that's debt man

Minor mindset change just led to major set back

Two-two steps in the cab with a wap that's 16 steps back

Joyride in a German coup when I press this screen its jetpack

Spent one-twenty on rambos backline 25 guys I'm Sancho

Stars on the night get flagged and spangled

Smoke don't choke but the bine might strangle

Breathless

Promising prospect time on wing they electric

Stranger things on the case

Had the scene on display, never came with Netflix

14 ways out the council estate I'm Quince

Kunta I whip these chain I'm a slave

But I came from the roots like Kinte

17 came out 19 should've got extra and came out vinte

Push that trauma away but it all comes back to reclaim I'm triste
