

Don't Trip

Blanco

Quincy Tellem
Look, yo

In my past I've done evil
Can't change to a saint like Minamino (Grr)
I make her pass, Joao Moutinho
In a taxicab, Danny DeVito (Skrr)
She can't break my heart but knows how to damage a man's ego (Grr)
Stardawg still killing my people
I see the fake that's through your pupils (Rah)
[?] I change your life, ay, period (Period)
Don't fall 'cause I ain't tryna trip ya
My name's Keeya, not Kieran (Not Kieran)
Not toxic, I'm just experienced
Told you I'm unserious
Give me the green flag, Nigerian
Run white in my [?], Siberian
Kennington Stadium (Jheez)
Finna jump like the 'siu' celebration
Tax, had FFP allegations
She wants time in a haven
Still do a Hazard, might be related
And I had a scarlet witch from Insta calling me captain, get the vibranium
Time in the cages, and I'm with NSG that's surveillance
Keeper, stood on the edge like Lita
Golden glove I'm a Dida
They cat on the low like Sabrina
Old school like Emerson, La Liga
Same bitch I might misread her
Ball in a team, no metre
Park up with a parka, that's Peter (Muah)

As soon as I land like Shearer (Nyoom)
Make it rain like Ella, aye
Gyal from Eritrea, namaste
Don't trip like Ella Mai
Don't trip like Stevie G
Let me blow your mind like EVE
Front three, BBC
It's 658 on my CVVs
As soon as mi land like Zanetti
Gyal up and down like BTC
This bracelet Alan Crocetti
I got protection, PPE
I got protection, shielded
Roll with the sword like Trunks and wield it
Stay on the line like Shilton
And I give thanks when I fleece no pilgrim

Tequila, that shake the hangover
My new girl speak Portuguese
She a pretty darkskin from Angola
Come closer, babe, let's dance, Kizomba
I'm the hardest versatile artist, I break the back like boom-boom-tah
Drive at the yard like Guten Tag
Cutting through Vauxhall in a Vauxhall car (Nyoom)
Move cautious, let the gun blow, Oscar Pistorius

No legs on the left wing, it's dauntin'
I ain't in Shoreditch, went for the [?]
Manual dinger, hearing it stallin'
Just like Mendy, you ain't been ballin'
When was your last cat callin'?
USA, not in my league like Morgan
Morgan, yeah my madam receive
Hazard, Thorgan, Adam and Eve
Garden of Eden, apple in tree
Kwasiasem, I'm back in the lead
Plenty rats in my category
Star out of the blue, Champions League
Hierarchy, yes, I can see
Anwar El-Ghazi, back in the team
Get up from my break like Gomez
[?] on my back, I'm boneless
Folded the back with the Ford, man focus
Stop talk, would've told man, Foden
Soviet states, of course I'm doping
Man transform like Shonen
X-man with the claw back like Logan
Nick with my bros, Joe Jonas

As soon as I land like Shearer (Nyoom)
Make it rain like Ella, aye
Gyal from Eritrea, namaste
Don't trip like Ella Mai
Don't trip like Stevie G
Let me blow your mind like EVE
