# Ringtone

**Blanco**

Bad B's
Ba-Bad B's
Bad B's
Ba-Bad B's

Bad B's banging my brick phone
Same time banging my iPhone too
Sweet one, answer this ringtone
Did my time and I'll time it, phew
This one bad and I've been told
Young one, help me come line this yute
Golden phone match her skin tone
Come round here, that's a stupid move

You can phone this number
Ringtone sounds nice in summer
Sweet one, golden lover
And I had a iPhone same colour
Bros on a ride, take cover
Three man step three hunna
Four man dash, three suffer
Cell sight trap mans runner
Missed call, emoji sent
One line round, four spent
Charged up 40%
Shotgun only possessed
My darg, you'll find your scent
Bully van came round and went
Bust left and I found my breath
Kenny Bop don't dance we step

Bad B's banging my brick phone
Same time banging my iPhone too
Sweet one, answer this ringtone
Did my time and I'll time it flew
This one bad and I've been told
Leng one, help me come line this yute
Golden phone match her skin tone (Peng)
Come round here, that's a stupid move

Bad b's banging my brick phone
Same time banging my iPhone too
Sweet one, answer this ringtone
Did my time and I'll time it flew
This one bad and I've been told
Leng one, help me come line this yute
Golden phone match her skin tone (Peng)
Come round here, that's a stupid move

And I had a 5s in school
In maths, had incoming calls
Can't ride out indoors
Dora backpack explores
Rise up, smoking war
Small firing tool
You don't drill, why you lying for?
Slip from a sliding door

And it's mad that my phone don't ring
Must be the phone, no sim
Could be the one pop or twin
Hit bro, where your last of kin?
And it's mad that my phone don't ring
Must be the phone, no sim
Could be the one pop or twin
Hit bro, where your last of kin?
