

Shippūden

Blanco

Smile don't cry pour the Liquor dem
Fisherman throwin' hand signs like Shippūden
Still in the states like Michigan
Citizen's still under bail conditionin'
Guys in the bin some litter-men
Cinnamon, brown and sweet, need insulin
Bro Snow with the pack drib-dribblin'
Wrigglin', cah the handcuffs too stiffenin'

With the tizzy on charge on my shows on
Bro hits cells like Gohan
Wasted a life, erosion
Two man blaze and a guy implosion
Wink at your bae, semi colon
Stolen, dilemma ting, Kelly Rowland
Jakes in the car, patrollin', hopin' to finding a snake and a rodent
Spinners from 1940
Surely the mandem got tools like Milwaukee
Purely, only telling facts, no porkies
Assure me that you love me and re-assure me
My bros coming out near 40s
Don't say bout verdict like a jury
Boasy like broski that's Loski
Holy ghost, hold me so closely
Post me on a daily like Posty
Dark Knight, no safety, Falcone
I was in the cell making toasties
Brodie, watch me closely
No team no face mask, Mick Foley
Jail bang weights and proteins
Splash, no sailors get boaty
RIP Bisky that's homie

The sword of a murder is justice
Fuck this, do it in the eyes of the public
Outspoken like I'm Frederick Douglass
Hate some guys on my skin like Columbus
Broski bled some blunders eruptions
Sprite from the bottle just ruptured (ruptured)
He sold the rocks in the OT spot (spot)
Not for human consumption
What made me the money I'm repeating
Blanco fight for your freedom (freedom)
Sold my live rights to a demon
Slay demon, breath technique it
I do all the hard work they leak shit
They talking this wass, they reachin'
Jakes on SD for the breaching
No lead on president impeachin'
My bro had dark like Money Mitch
Cats at Sabrina the Teenage Witch
Came up poor, tryna bail out rich
Pay off guys get a case dismissed
Tryna live life not just to exist
Park it then the firearm gets barkin'
Chargin', all last year I'm startin'
Fasten up your seat belt go kartin'

Smile don't cry pour the Liquor dem
Fisherman throwin' hand signs like Shippūden
Still in the states like Michigan
Citizen's still under bail conditionin'
