

Susanoo Flames

Blanco

Susanoo flames and burning black
Gotta stop serving crack
30 love and I'm serving back
Sav got the servey pack

Mia mae calling my great
Nessi ain't the chosen one in this matrix
No Liam Neeson when flam got taken
My portfolios still in the station
Jason Bourne but I ain't Matt Damon
I still stay 50 & 50 I'm kanan
No comment questions you know there not mine
But I coulda still said no Ronald Regan

Phil rit off not coming pit stop
Bmf my accountant ain't Rick Rosso
Block rest up latz and there bistop
Brothers in pain I'm frozen like Kristoff
Olaf showing nipple pics areloa
Two foot in like neymars rabona
Melrose broken and rip fomen
Feltham snuck in a mash didn't phone her

Susanoo flames and burning black
Gotta stop serving crack
30 love and I'm serving back
Sav got the servey pack

Oceans coming like Bernie mac
Lost took a journey back
Lost took a journey back
Guys on the block with a dirty pack

I had the armed jakes call me a suspect
Buss case that's enough said
Still with the Spartacus like Augustus
Jail lemon cake in my custard

Step with the doomsday ting like injustice
Termination by an act of destruction
Had the media call me the goat
If my price don't rise that's erectile dysfunction

Everybody counts on me can I count on them
Like obi to counts on rin
On a rap revolution I'm counting the French
18 man cah I'm counting the bench

With litek plays Shakhtar Donetsk
You can get sparked on the fence
With a hook swing jab hook caster your death
Tear drops after you rest

Susanoo flames and burning black
Gotta stop serving crack
30 love and I'm serving back
Sav got the servey pack

Oceans coming like Bernie mac
Lost took a journey back
Lost took a journey back
Guys on the block with a dirty pack

Susanoo flames and burning black
Gotta stop serving crack
30 love and I'm serving back
Sav got the servey pack

Oceans coming like Bernie mac
