

## Ted DiBiase

Blanco

Ends in 2 double 6 just reach me gave me the smack down  
Rikishi money on the roads like I'm TGDotz got a cameo  
I'm PG servers lagged out I  
Said GG bro never tapped out  
Said teach me darg by the shelter  
This species Leicester strike that one Ndidi

I believe in a god but the faith went away now they call me the  
chosen one  
War with the stars in the flats with the star myself I'm Obi-  
Wan  
Hell in the cell and I left with the belt and a mask like foley  
done  
Sending me p'z every time I was in there 2 it was only mum

Had a dream bout an mil one Ted DiBiase glassy  
15 I was waiting for snow and that McCloskey's  
Didn't hear sirens cos I had headphones but I saw the neighbour  
s alarm me  
Shake that 8.5 on the Richter scale tsunami

DM slide I ain't ever been a baller  
Set piece bang he was right by the corner  
Diamonds follow that sight it'll allure her  
Frightening sight got him right by the forearm

Unit 10 see now I got trauma  
Improving his temper still he got torn up  
G tec strike that Nørgaard  
Sony label I shoulda went Warner

Buss that puss that hiking rucksack  
Folding a lock knife right by the nutsack  
A1 R1 right by the touchpad  
Sweeping the broom lost sign of the dustpan

Strength in numbers and I got family too I'm a little robust ma  
n  
Cody Rhodes his sentence tagged him around with a gold dust man

Gonna buss this door to get to the 4th floor bet I see a shot o  
n the stairs  
Big man don't get got like Hodor fly got a box to declare  
Free fonem too tryna mop with the yeah free BE Bruce got him lo  
cked for a year  
My heart got broke I'll repair lost faith fore the system hope  
in despair

Had a dream bout an mil one Ted DiBiase glassy  
15 I was waiting for snow and that McCloskey's  
Didn't hear sirens cos I had headphones but I saw the neighbour  
s alarm me  
Shake that 8.5 on the Richter scale tsunami
