

Unruly

Blanco

Rebellious why so serious
You ain't never had like this so I'm curious
Wave you away so imperious
Toxic state in my mind so delirious

Crazy at times strike like depay
Sly when I try and I snipe the reply
You was at the show what a vibe
Ball with deceitful intent what a dive
I'm a diver
Bro beat the case he a bando survivor
Tape it director the cat zack Snyder
Reading my text it ain't yours to decipher
Stretch marks when it gets dark she a tiger
Tigress
Little physic
I don't know your name but your frame man I like it
Stare see your face in my iris
Double cell but I'm alone man I'm high risk

See the wine and the cups
Dem arrange mese truly
Mennim se woye unruly
Abena seka on the low key
See am feeli not gidochi
Aah
Take am back to back as she back up the something
With some views of London
Wose DC
Make e go crazy

Dey do me like Norwegian
Sædeø she cover with the red and blue
Buh the skin tone on melanin
Her waistline on the Asian crew
Swear Dey do me like Norwegian
Sædeø she cover with the red and blue
Buh the skin tone on melanin
Her waistline on the Asian crew

Out of the blue I'm with arajay
Hennessy I don't drink alize
I was in the flight to accra watching anime
Don't wear beanies or caps but she's hatting me

Hand loose too caught in the act now they hanging me
No fruit shoot still Robinson why they mad at me
Favelas in the slums geographically
Wine out in a wine house call it Valerie

Came in then I came out
Said her man was the picture
Took

See the wine and the cups
