Asking For Too Much

Blanks

Saturday night, late in the AM
Me and myself having a conversation
Giving advice, I don't think it helps
Wish I was talking to somebody else

Whoa, I always run, when I should
Crawl, can't do it all

Am I asking for too much?
Am I asking for too much?
It's always a waste of time
Why does it feel like I'm

Asking for too much?
Is this asking for too much?
As long as it ain't enough
I know that I won't stop
Asking for too much

Some people try what I just ain't buying
Been raising the bar, I've been raising it higher
All of my friends, wish they'd understand
Don't know if they will, don't know if they can

Whoa, I always run, when I should
Crawl, I just want it all

Am I asking for too much?
Am I asking for too much?
It's always a waste of time
Why does it feel like I'm

Asking for too much?
Is this asking for too much?
As long as it ain't enough
I know that I won't stop

Whoa, I always run, when I should
Crawl, I just want it all

Asking for too much
Am I asking for too much?
It's always a waste of time
Why does it feel like I'm

Asking for too much?
Is this asking for too much?
As long as it ain't enough
I know that I won't stop
Asking for too much
