

Better Now

Blanks

You probably think that you are better now, better now
You only say that 'cause I'm not around, not around
You know I never meant to let you down, let you down
Woulda gave you anything, woulda gave you everythin', whoa

I did not believe that it would end, no
Everything came second to the Benzo
You're not even speakin' to my friends, no
You knew all my uncles and my aunts though
Twenty candles, blow 'em out and open your eyes
We were lookin' forward to the rest of our lives
Used to keep my picture posted by your bedside
And now it's in your dresser with the socks you don't like
And I'm rollin', rollin', rollin', rollin'
With my brothers like it's Jonas, Jonas
Drinkin' Henny and I'm tryna forget
But I can't get this shit outta my head

You probably think that you are better now, better now
You only say that 'cause I'm not around, not around
You know I never meant to let you down, let you down
Woulda gave you anything, woulda gave you everythin', whoa

Better now, better now, yeah
I'm b-b-b-b-better now, better now, yeah
I'm b-b-b-b-better now, better now, yeah
I'm b-b-b-b-better now, better now
Ooh, yeah

Better now, better now, yeah
I'm b-b-b-b-better now, better now, yeah
I'm b-b-b-b-better now, better now, yeah
I'm b-b-b-b-better now, better now
Ooh, yeah
