

Dance Like This

Blanks

Late night drive in the city
The lights, they looking so pretty
It's like the world knows too, it's all about us tonight

A little over the limit
We're screaming all of the lyrics
We got our hands up high, we're infinite tonight

And I wonder what you're thinking, quiet for a minute
When you turn to me you got that look in your eyes
Like you wanna believe in something for a minute
Take me in your arms and guide me into the light

And we dream about forever maybe have it for a while
If we run together we can make it through the night
Kiss the bittersweetness of your lips
I don't want to stop when we dance like this
Act like it's forever and we'll have it for a while
Shooting like a star till we falling out of the sky
Kiss the bittersweetness of your lips
I don't want to stop when we dance like this

The world, we've seemed to forget it
In this moment we're having
We're way too busy dancing on our own

And you come close for a second
Your lipstick tastes like forever
Make me forget what it's like to be alone

And I wonder what you're thinking, quiet for a minute
When you turn to me you got that look in your eyes

And we dream about forever maybe have it for a while
If we run together we can make it through the night
Kiss the bittersweetness of your lips
I don't want to stop when we dance like this
Act like it's forever and we'll have it for a while
Shooting like a star till we falling out of the sky
Kiss the bittersweetness of your lips
I don't want to stop when we dance like this

No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
Don't wanna stop when we dance like this

No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
Don't wanna stop when we dance like this

I don't wanna stop
No, I don't wanna stop
No, I don't wanna stop

And we dream about forever maybe have it for a while

If we run together we can make it through the night
Kiss the bittersweetness of your lips
I don't want to stop when we dance like this
Act like it's forever and we'll have it for a while
Shooting like a star till we falling out of the sky
Kiss the bittersweetness of your lips
I don't want to stop when we dance like this

No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
Don't wanna stop when we dance like this

No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
No, I don't wanna stop, oh-oh
Don't wanna stop when we dance like this
