

Don't Stop

Blanks

Could get

We could get out of here
Away from everyone
Do a million other things
I can think of one (Or two, three, four)

Hands in my hair, your lips on mine
No shirt, no blouse, lost track of time
Baby I just wanna get you all night to myself
We could just leave and go somewhere else, woah oh

Don't stop, keep doing what you're doing
Don't stop 'cause I like it like that
Don't stop, keep doing what you're doing
Don't stop 'cause I like it like that

What do I need to say?
No need to overthink
We could get out of here
And have another drink (Or two, three, four)

Hands in my hair, your lips on mine
No shirt, no blouse, lost track of time
Baby I just wanna get you all night to myself
We could just leave and go somewhere else, woah oh

Don't stop, keep doing what you're doing
Don't stop 'cause I like it like that
Don't stop, keep doing what you're doing
Don't stop 'cause I like it like that

Hands in my hair, your lips on mine
No shirt, no blouse, lost track of time
Baby I just wanna get you all night to myself
We could just leave and go somewhere else, oh oh

Don't stop, keep doing what you're doing
Don't stop 'cause I like it like that
Don't stop, keep doing what you're doing
Don't stop 'cause I like it like that

Hands in my hair, your lips on mine
No shirt, no blouse, lost track of time
Baby I just wanna get you all night to myself
We could just leave and go somewhere else, woah oh
Woah oh
