

## Love Situation (911)

Blanks

You look so different  
It only took you about  
Eleven minutes  
To get me wondering how  
I could've missed it  
But oh I'm seeing it now  
Something's changed about the look in your eyes

I think we got a love situation  
911, what's your emergency?  
Someone stole my heart down the station  
Ripped it out of my chest

And now I'm falling  
And I'm scared to death  
I want your hands on me  
But I don't wanna lose a friend  
And no I don't think I can keep pretending  
You make summer feel never ending baby  
I'm falling, would you catch me if you can?

Just spin the bottle  
I'm trying so hard  
To keep it subtle  
How I'm falling in love  
With the way that your eyes  
Light up every night  
And it feels kinda wrong  
How this feels oh so right

I think we got a love situation  
911, what's your emergency?  
Someone stole my heart down the station  
Ripped it out of my chest

And now I'm falling  
And I'm scared to death  
I want your hands on me  
But I don't wanna lose a friend  
And no I don't think I can keep pretending  
You make summer feel never ending baby  
I'm falling, would you catch me if you can?

And now I'm falling (Oooh)  
And now I'm falling (Oooh)

I think we got a love situation

Ripped it out of my chest
