

## Seaside

## Blanks

Woah oh  
Dreaming of the beach and the sunshine  
Maybe we could go to the seaside  
Maybe we could go to the seaside  
Woah oh  
Dreaming of the beach and the sunshine  
We could listen to The Kooks on the car ride  
To the seaside, woah oh  
Woah oh

Summer nights singing Oasis  
Sparks are tickling our faces  
And everybody's kinda wasted, oh oh  
How did it get so complicated?  
When getting into bed feels like I've made it  
And I've been trying to escape it, oh oh

I need to find some peace of mind  
I left behind a simpler time  
I need to find, I need to find my mind

Woah oh  
Dreaming of the beach and the sunshine  
Maybe we could go to the seaside  
Maybe we could go to the seaside  
Woah oh  
Dreaming of the beach and the sunshine  
We could listen to The Kooks on the car ride  
To the seaside, woah oh  
Woah oh

I've been living inside my mind, yeah  
Reminiscing all the good times, oh oh  
But maybe it's the sunlight (sunlight)  
It's making me feel like (feel like)  
Luck is finally on my side, oh oh

I need to find some peace of mind  
I left behind a simpler time  
I need to find, I need to find my mind

Woah oh  
Dreaming of the beach and the sunshine  
Maybe we could go to the seaside  
Maybe we could go to the seaside  
Woah oh  
Dreaming of the beach and the sunshine  
We could listen to The Kooks on the car ride  
To the seaside, woah oh  
Woah oh

Woah oh  
Dreaming of the beach and the sunshine  
Maybe we could go to the seaside  
Maybe we could go to the seaside  
Woah oh  
Dreaming of the beach and the sunshine

We could listen to The Kooks on the car ride  
To the seaside, woah oh  
Woah oh
