

Stranger

Blanks

Stranger in the mirror
How'd we come so far?
Only took a minute
For us to grow apart

And I'm scared I won't find
My way back in time, in time

I see in the reflection
Somebody down on their knees
Stare in those eyes
See the lie in disguise
I'm like a stranger to me
I'm like a stranger to me

Stranger in the mirror
Where are all your friends?
Never take for granted
What you could lose again

And I'm scared I won't find
My way back in time

I see in the reflection
Somebody down on their knees
Stare in those eyes
See the lie in disguise
I'm like a stranger to me
