

Tomorrow

Blanks

Tell me
Was it really how you thought it was
Are you really gonna give it up
Why don't you just give it one more shot
Tell me
Do you really wanna throw it all away
Are you scared of what the world is gonna say
Why don't you just give it another shot

'Cause I've noticed something inside you
Growing alone

Maybe
Things are gonna turn around
Maybe
If you try
Today could be an open door
And tomorrow is inside
Tomorrow is inside
Maybe
Things are gonna turn around
Maybe
If you try
Today could be an open door
And tomorrow is inside
