

Turn Around

Blanks

Turn around, you'll see that I'm still here
I might be drifting but I'm coming around
You're smiling through your tears
'Cause I'm still with you and
Sometimes I get lost, but I know where I am
Sometimes I go out, but I still make it in
I'm down on my knees why you don't understand
So turn around, can't you see I'm here?

Guess I'm trying to tell you that there's just no way without you
Guess I'm trying to say

Would you believe me now if I said I need you now?
Oh baby, I am in love
And I don't ever wanna give us up
How do I make you see there's no one else for me?
Oh baby, I am in love
And I don't ever wanna give us up

Turn around, I speak but you won't hear
You get so jealous when you're thinking of her
No reason you should care
'Cause I'm still with you and
Sometimes I get lost on the road that I'm on
Wasted away, I still know you're the one
Used to be off till you switching me on
So turn around, I'm trying to say

Would you believe me now if I said I need you now?
Oh baby, I am in love
And I don't ever wanna give us up
How do I make you see there's no one else for me?
Oh baby, I am in love
And I don't ever wanna give us up
Would you believe me now?
Well baby, I am in love
How do I make you see I don't ever wanna give us up?

Guess I'm trying to tell you there's just no way without you
Guess I'm trying to say

Would you believe me now if I said I need you now?
Oh baby, I am in love
And I don't ever wanna give us up
How do I make you see there's no one else for me?
Oh baby, I am in love
And I don't ever wanna give us up
Would you believe me now?
Well baby, I am in love
How do I make you see I don't ever wanna give us up?
I don't ever wanna give us up
