

# BACK ON BS

Blaqbonez

Messages of circling back on humbility  
Starts in three, two, one

Uh, yeah  
Shawty told me love is the highest vibration  
I told her I disagree  
Don't worry 'bout your boyfriend  
It's sweeter when you unfaithful  
Make use of every chance  
A young man should've been wasteful  
You got that-  
You got that W-A-P  
Throw that pussy round  
I might get you an AP  
Stickin' with a broke ass  
Shawty, you crazy?  
Come on, fuck on a rich nigga  
Might get you a baby  
I don't-  
I don't need attention, fuck that  
'Cause you look like you been through enough trash  
Ayy, your man cheated, this revenge sex  
Or he loyal to you  
This that "He don't fuck you well sex"  
I'll give you everythin' that you need  
Be the air that you breathe  
No, I'm cappin' and shit  
But there's truth in the mix  
Whenever you ready, let's do this, uh  
Uh, it's been a while  
Let's get back on our bullshit

Let's get back on our bullshit (Let's get back)  
On our bullshit, bullshit  
Let's get back (Let's get back) on our bullshit (Let's get back)  
On our bullshit (Let's get back)  
On our bullshit (Let's get back)  
Let's get-  
Let's get back  
Let's get back  
Let's-  
Let's get back  
Let's get back  
Mic check, one-two  
One-two, mic check

Let's get back on our bullshit  
On our bullshit, on our bullshit  
Let's get back on our bullshit  
Let's get back (On our bullshit)  
Oou-ayy (On our bullshit)  
Let's get back  
Let's get back on our bullshit (On our bullshit)  
On our bullshit, on our bullshit (On our bullshit)  
Let's get back on our bullshit
