

## Bizzy Body

Blaqbonez

So many things I don't know  
But I smoke marijuana not colos  
And she very feisty  
Her wahala make me shout Orobo  
She wanna marry Victony  
But na me dey make her thing so wet oh  
And every time we  
Bur bur bur  
Men e be like say the bed go break oh

I feel it coming  
Slow and steady baby easy does it  
Put you pon the table, periodic  
Place my hands on your bizzy body  
I feel it coming  
Slow and steady baby easy does it  
Put you pon the table, periodic  
Place my hands on your bizzy body

Oh my Paloma

So many things I don't know  
But I smoke marijuana not colos  
And she very feisty  
Her wahala make me shout Orobo  
She wanna marry Victony  
But na me dey make her thing so wet oh  
And every time we  
Bur bur bur  
Men e be like say the bed go break oh

I feel it coming  
Slow and steady baby easy does it  
Put you pon the table, periodic  
Place my hands on your bizzy body

Steady and sexy  
Body wey clean make man envy  
Put her in a Cadillac  
Give her what's trendy  
One big shot slim and lengthy  
Can't wait till yo back up  
And for the cocky big girlie can't stock up  
Me loving all the in your stomach  
Keep whining till the sun come up  
Whine fine diamond  
Slow and steady baby easy does it  
Put it pon my cocky girl you know I love it  
Place my hand on your busy body

I feel it coming  
Slow and steady baby easy does it

Put you pon the table, periodic  
Place my hands on your bizzy body
