

Breaking The Yoke Of Love

Blaqbonez

Sometime love is sweet
Sometimes love is peace
But these days, love is wicked
Sometimes love is sweet
Sometime love is peace
But these days, love, love is wicked
Hmm, sometimes love is joy
Sometimes love is peace
But these days, love is wicked
Sometimes love is peace
Sometimes love is strength
But these days, lo-o-love is wicked

Yo
(Breaking, breaking)
Fuck Cinderella
Fuck Beauty and the beast
Fuck all they made me believe
Life ain't no fairy tale, life ain't no Adam and Eve
They ain't no soul mates
There ain't no one person out there that's for you
That's stupid as fuck mate
In a whole planet of seven billion people
Somebody told me that one is enough
That's crazy
'Cause everywhere that I turn I'm looking at Baddies, I'm looking at Nancy (Osas nko?)
I love her too (Ayra Starr?)
Pearl cardy too
Oh my days Tems just posted
You know I want her too
Open your eyes my nigga, there's always gon' be an ass that's fatter
There's always gon' be a waist that's slimmer
There's always gon' be a chic that's-
Okay you love yours, that's cool
But she
She still gon' talk to her ex you know it
When she go out in that dress, there's somebody out there that's throwing more stacks
You think, you think
You are the only one she sending streaks to?
Swear these humans would liar and deceive you
All my life mehn I've seen so much evil
If dem tell you the truth e go weak you
Like Portable said "Dem go rip you"
So we breaking the yoke and we breaking, we breaking, we breaking, we breaking, we breaking, we breaking

Say Amen (Amen)
Amen (Amen)
Amen (Amen)
Amen, Amen
Say Amen (Amen)
Say Amen (Amen)
Say Amen (Amen)
Oh-oh

Breaking, breaking, breaking
We breaking, breaking, breaking
We breaking, breaking, breaking
We breaking
Breaking, breaking, breaking
We breaking, breaking, breaking
We breaking
We
We breaking, breaking
