

# CINDERELLA GIRL (WHERE YOU DEY)

Blaqbonez

Uh head over heels  
Mind on a bills  
The mass appeal  
It's hard to miss  
My heart on cold  
When shit was real  
I follow codes  
That's what it is  
You start to love up  
More Emotions all over the place

Make I no lie nobody suck my dick like you  
Special girl ahn ahn ahn ahn  
Before we turn enemies make we do am one more time  
My cinderella girl

Tell me where you dey  
Where you dey  
Where you dey  
Where you dey  
Where you dey  
No no where you dey  
Where you dey  
Where you dey  
Where you dey  
On a Saturday far away  
Where you dey  
Omoge Where you dey  
My cinderella girl

There's a thousand things I wanna do to yous  
It's crazy I gotta look for you  
From a nigga who looked out for you  
I really got a plan for you  
Like really wanna damage you  
Perfect height so it's bliss when we fuck standing  
So what's a little misunderstanding  
If you look past the polygamy  
You'll see just what you mean to me  
We ain't even gon Italy  
Them other shits the little league

So much emotions all over the place  
Make I no lie nobody suck my dick like you special girl ahn ahn ahn ahn  
Before we turn enemies make we do am one more time  
My cinderella girl

Tell me where you dey  
Where you dey  
Where you dey  
Where you dey  
Where you dey  
No no where you dey  
Where you dey  
Where you dey  
Where you dey  
On a Saturday far away

Where you dey  
Omoge Where you dey  
My cinderella girl

Cinderella girl my name is Ludacris  
I'm a veteran in this game bitch I ain't new to this  
Me and Blaqbonez we in the same game  
He loves African women I love the same thang  
So put your legs up throw one behind your head  
Hit that button and a door will open bed  
That's the sex room fulfill every desire  
That's an extinguisher when your ass is on fire  
I'm a put it out then we go in again  
They fall in love I tell em we can't be nothing but friends  
Sorry baby but I'm a rolling stone  
I hate to do it but I gotta leave your ass alone  
Because I'm all that and a bag of big chips  
Only women I'm fucking with they got some big lips  
Big hips and a whole lotta back end  
And when she thinking I'm done I put it back in

Tell me where you dey  
Where you dey  
Where you dey  
Where you dey  
Where you dey  
No no where you dey  
Where you dey  
Where you dey  
Where you dey  
On a saturday far away  
Where you dey  
Omoge Where you dey  
My cinderella girl
