

Cynic Route

Blaqbonez

Yo, what's up? I've been trying to call you forever
Can you hit me back or something?

I show no emotion, you question my devotion
Baby I'm Aquarius, I got a heart of stone shit
Know I make you curious, looking for some closure
I said that I want you here that felt like devotion
Girl, I cannot love you, I just wanna fuck you
Bid it like it's kung fu, turn it to a jungle
Slide inside, let you ride, shit we cannot undo
Shit I cannot say I'm trash cause you told me not to
Yeah, yeah

No, I never been so glancid
I was in your head, that's my dick talking
I'm emotional when I'm inside your ass
When I'm inside your ass and you loving it violent
Baby like when are you gonna learn?
Why you ask me who the bitches in my tone that I be talking about?
No no no, none of your business now
Taking the cynic route, don't wanna let you down
You, yeah

Cause you a bad bitch
You a bad bitch, don't let me I'll put you down
Cause you a bad butt, you a bad bitch, yeah, yeah
Cause you a bad bitch
You a bad bitch, don't let me I'll put you down
Cause you a bad butt, you a bad bitch, yeah, yeah
