

DOLLERZ

Blaqbonez

Yeah, skill like Papilo
My girl like Stefflon Don
I ball like Maradona, 'cause gyal like Diego
VVS's on me, shine like bololo
I ball like Maradona, 'cause gyal like Diego

Brand new Rolex (ah-ah)
Fifteen thousand dollerz
No go dey vex
Tell these new boys I'm not their set
Brand new Rolex (brand new Rolex)
Fifteen thousand dollerz
No go dey vex (no go dey vex)
Tell these new boys I'm not their set

Yeah dey calling me The Young Steezy, Breezy
AKA, flex for no reason
Since ah born day, I be litty lit
I'm the coolest motherfucker on the planet, baby
Sokoto Amiri, like my brozen aunty
Christian Louboutin-ing, this one no believe it
My brother, this is how we living
Emeka, shines all seasons

Yes, skill like Papilo
My girl like Stefflon Don
I ball like Maradona, 'cause gyal like Diego
VVS's on me, shine like bololo
I ball like Maradona, 'cause gyal like Diego

Brand new Rolex
Fifteen thousand dollerz
No go dey vex (no go dey vex)
Tell these new boys I'm not their set
Brand new Rolex (brand new Rolex)
Fifteen thousand dollerz
No go dey vex (Odumodublvck)
Tell these new boys I'm not their set

Kan, kan-kan, kan
Comot body, Abibi, na me be Aga-'Gatha
Na aboki say halla, omo, eri wari wo
I am a riverine boy, so I am very deadly o
Gimme the ball, then I turn to Papilo (ah)
Brand new Cartiér (ayy ayy)
Then I position like a Russian Roulette
Eh, na who dey vex? (Praa)
Make dem comot body, I no go relent o
Ca-carry dollerz, na ogbonge full here
Where my kotem? Dem pick up the government
Ojukokoro, I never mind dem
Na dem dey find me, I no go shoot them (eh)
Waste my bullet on top people wey be say dem no go miss them
Greatness, I don defy the odds, dem request appointment

Brand new Rolex (ah-ah)
Fifteen thousand dollerz

No go dey vex
Tell these new boys, I'm not their set
Brand new Rolex
Fifteen thousand dollerz
No go dey vex (no go dey vex)
Tell these new boys

I'm not impressed
Boys dem try do me stab, e no fit work
Living a fast life, fast, me no regret
Girls, dem desp'
Na old side test
My pillar go
