

Everlasting Taker

Blaqbonez

(Initiating, RAGEE process)

Last real nigga, I might be am
Them know the theory but me I dey practice am
I put my heart in this shit, I dey carry am
This no be quick fame, this is a career
This no be white collar job, I'm a animal
If them no give me visa, I for go to Libya
Pass me the beat, that's Yamal to Raphinha
Bad energy far away, Afghanistan, ah

If we survive this life, we gon' do it in Balenciagas
Thunder fire sapa, we rich forever, uh, dirty cover my eyes
Let the records show say we dominated, implemented
Look how we changed the game, we discombobulated
Gave them new words to play with
No be every day we dey sing, "Baby, baby"
2face reincarnation, huh (They ask)
Is he a rapper or singer? (The givers)
Pick anyone, I deliver (They still ask)
Nobody fit do am like me, sir (I dey ask)
Make una dey do your research
Uh, man, I pull up in a black balaclava
Gang steal the show, and your girl booty clap ass
Then transport her, they still stutter
Oluwaloseyi, I get different pattern

PrRa

The blacker the berry, the sweeter the juice
Once you go Black, you can never go back to what you used to do
The original, the- (They still stutter)
The other Presido, the general, Blacko sent from heaven by God Himsel
f (Get different pattern)
We call that immaculate conception
If you here in this house, call am divine intervention, what?
