

Magic

Blaqbonez

Yea Yea
Chillz made it

Yea, bust down Angelina baby
Looking like Americana baby
Peng thing you a stunna baby
I love you like I love by moola baby
Bust down Angelina baby
Looking like Americana baby
Peng thing you a stunna stunna yea
I love you like I love my moola

Omo I no fit lie girl you (magic)
If them no tell you I go tell you say you (magic)
Omo I no fit lie girl you (magic)
Got me coming back to you for the (magic)

Omo I no fit lie girl you (magic)
If them no tell you I go tell you say you (magic)
Omo I no fit lie girl you (magic)
Got me coming back to you for the (magic)

Was a Wednesday, saw you at the party
And her black gown really got me so retarded
Couldn't get my eyes off you girl I tried to
Ask my nigga for your number cause I had to
I'll never let you go like that
Get your number hit up and you say hey right back
Say my favorite thing is them video calls
Cause get to see you like a barbie doll

Ou damn, oh my baby
I want you to put your eyes on me
Dream about you every time I sleep
Badder bitch you look like Cardi B

Bust down Angelina baby
Looking like Americana baby
Peng thing you a stunner baby
I love you like I love by moola baby
Bust down Angelina baby
Looking like Americana baby
Peng thing you a stunner stunner yea
I love you like I love my moola

Omo I no fit lie girl you (magic)
If them no tell you I go tell you say you (magic)

Magic baby, that's what they call me
BM no not Ferrari sorry

Rough on edges
Smooth when recording
Make you Chicago bull
I'm the new Micheal Jordan
When I shoot, you know that I'm scoring
When I met you, I know I had fallen
This one no be natural thing lai lai o
This is not a natural thing, lai lai

The first five minute we flow
I forgot my home and the reason why I was on the road
She smile and then she gimme control
Na so I call Blaqbonez
Say baba no vex, we go see later, 'cause I'm gone

Oh my baby
I want you to put your eye on me
Dream about you anytime I sleep
Badder bitch you look like Cardi B

Magic, Magic, Magic, Magic, Magic, Magic, Magic, Magic
