Now we here, just a nigga in the Nikes

Shit is great with the face
With your bae, for that pussy, salivate
Eat it up, eat it up, eat it up, ou yeah

With the pullest and it's not it for the day
And I ball her and that's not what's called a brace
Keep the bad energy out the gate, ou yeah

Buss it up, man fi neck her in some Nikes
Man are bad, like we never check the prices
Nothing here, just some liquor and some Nikes

When we finish, tell her go home cause me na money I dey come find
No get time to dey confide, na weed and henny I dey combine
Walking steady to the sunshine, hope the Lord is gonna give me long life
But some niggas go dey online, while some na Poly them dey supply
Cause you told me never judge a nigga cause you know a nigga gotta survive
Why somebody go they call guys boss I know some niggas wey dey burst pipe
All your women just dey wo guy but I eat my lady she dey chop pipe
Everyday man and every night give her BBC

Man are bad, like we never check the prices
Nothing here, just some liquor and some Nikes
In them Nikes, said she like me

Tryna lie, man are bad in them Nikes
Now we here, just a nigga in the Nikes
