

Okwaraji

Blaqbonez

Yo, I learn to suppress my emotions
Can't let these fucking bitches see no emotions
Cause when they see, them go walk all over you
Man I promise them go walk all over you
Yo, I learn to suppress my emotions
Can't let these fucking bitches see no emotions
Half guy, me never give no devotion
Cause them go walk right over you
Me, I no dey waste energy
Ball like Okwaraji
Me say I dey ball die, kele dey for speed dial, why I go dey chase person?

Why I go dey chase person when any day she fit dey with another person
Oh, it was just your turn o, my guy
Cause say na turn by turn o
Back in the days used to give my all o
But the fucking girls never showed no mercy
Lucid with my heart, it was so so early

Look now, look at the monster you made o
