Blaqbonez

Yeah, I tell her me I just dey start Omo ologo shinning forever If you really know the story You go know I deserve am All my mixtapes fit to fill up alaba Me I no get wahala I dey for my zone One guarantee say the gbedu go dey Lyrically I dey burst their brain (They know say substance dey) Always got shit to say Full analyse The whole world before my eyes I dey strategize Cause if you jonze now them go slide Me back to the back of the line Cause the money no fit buy sense A lame ass boy still a lame ass boy regardless But the real ones know I wasn't going nowhere I'm here, them know my flow is unfair Run through the city like the money [?]

Life is a marathon
You dey hot now I go wait my turn
All day chasing funds
Make them no ask me where I've gone
Life ain't bout the first
It's about who go be here for long
It's a long game long game
It's a long game long game
