

Okay, I got a lot of fucks that I never get to use
I'm chivita with the juice, Michael Jackson with the moves
I got a lot of fucks that I never get to use
I'm chivita with the juice, Michael Jackson with the moves
You or else no fit take my shine, I'm woke
Nobody fit take my space, I'm woke
Nobody fit do am like this, you know
Nobody fit do am like this, you know

No be gra gra, I'm killing it but I'm chill though
I'm not the real deal like dildos
Move aside, tryna make the money talk
For now, I never chase a chick that I can't afford
Real not faking a thing out here
Say cause say I never blow, I'll be still out here
Riding another wave got my board out here
This type of rap has got me bored out here
I no dey let any opportunity pass me by
I dey rap, I dey sing, I just passed the bar
I dey trap like the Migos, bars like Kendrick
I know, I know, I know I'm still learning but-
Everyday I'm getting better and I'll be looking better
Omo na God o plus a little cheddar
I'm shy looking mad fly, industry baddie give me the pass for the WiFi o

Okay, I got a lot of fucks that I never get to use
I'm chivita with the juice, Michael Jackson with the moves
I got a lot of fucks that I never get to use
I'm chivita with the juice, Michael Jackson with the moves
You or else no fit take my shine, I'm woke
Nobody fit take my space, I'm woke
Nobody fit do am like this, you know
Nobody fit do am like this, you know

Boy I came, the flows really legendary
Making money, killing rappers really secondary
Omo the boy too good, looking impossible
Find a rapper better than me in a cemetery
Oh my God, I'm smooth and too clean
Born with it inside my blue jeans
All fitted with kicks like Bruce Lee
Swing bad looking lit whatever the mood be
I'm gold, brother no dey play yourself
There be levels to this thing, think say we dey play for here
Really boy, y'all think that I be joking
Look at all the lies and smoke and I'm chosen
They told me to rap, getting broke and I'm hoping
I could get it back for a token, need Vulcan
Bad gang broken, I could get it back for a token, I'm Vulcan
Like wait-

I got a lot of fucks that I never get to use
I'm chivita with the juice, Michael Jackson with the moves
I got a lot of fucks that I never get to use
I'm chivita with the juice, Michael Jackson with the moves
You or else no fit take my shine, I'm woke
