

# Fish Bite

Blaqk Audio

You sweat in the classroom by day  
And you work for him by night  
How does he pay you?  
Disappointment and shame within his eyes  
So it's time

Come out, come out, come out, come out farther  
Come out, come out, the water is clear  
Come out, come out, come out  
Don't you pay no mind to mama  
We're swimmin' here

Here, where at night the fish may bite  
But they never hurt me  
No, not in my sea

You make like abuela  
You mended the very dress you hate  
And how does she thank you?  
With questions of vows you cannot make  
So escape

Come out, come out, come out, come out farther  
Come out, come out, the water is clear  
Come out, come out, come out  
Don't you pay no mind to mama  
We're swimmin' here

Here, where at night the fish may bite  
But they never hurt me  
No, not in my sea  
Come out at night, our fish will bite  
But they never hurt me  
No, not in my sea

Oh no, young lady, not in my house  
Don't swim, 'cause those fishes' bites are deadly  
Oh my young man, swim so freely  
Fish bites are friendly here in our sea  
Come swim in our sea

Come out, come out, come out, come out farther  
Come out, come out, the water is fine  
Come out, come out, come out  
Don't you pay no mind to papi  
Pay him no mind  
Come out, come out, come out  
Come out, come out, the water is clear  
Come out, come out, come out  
Don't you pay no mind to mama  
We're swimmin' here

Here, where at night the fish may bite  
But they never hurt me  
No, not in my sea  
Come out at night, our fish will bite  
But they never hurt me

No, not in my sea
