

Stay By Your Side

Blaque

Stay by your side no matter what they say
I will be alright as long as you don't turn
Your eyes from me, I'll be right there for you
Don't worry, I'll always stay by your side

I'll stay by your side no matter what arrives
It's you and I, so cling to me my friend
And hold on tight, don't ever let me go
Don't worry, I'll stay by your side

Oohh and when the time comes
And you need someone to turn to
Don't you think that I won't ever be there, oh yeah
In this world of ups and downs
Crazy people all around
Don't you ever think for a second I don't care
I'll be right there

Your side, your side
Your side, your side

[Repeat above while:]

Oh I need you, you need me baby
Oh I need you, you need me baby
Stay with me, stay with me, stay with me
Stay with me, ooohhhh yeah yeah

I want you, I need you to stay
Stay with me
Don't you know, don't you know, oh
Don't you know, don't you know, oh

Stay, stay, stay, stay, stay
Stay by your side
I love you I need you to stay
Stay with me
