

Time After Time

Blaque

Lying in bed I hear the clock tick and I think of you
Caught up in circles confusion is nothing new
Flashbacks warm nights almost left behind
Suitcase and memories time after

Sometimes you picture me im walking too far ahead
You're calling to me I can't hear what you say

[Chorus:]

And you say go slow, I fall behind
Second hand unwind
If youre lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after time
If you fall i will catch you ill be waiting
Time after time

After my picture fades and darkness has turned to gray
Watching through windows you're wondering if I'm ok
Secrets stolen from deep inside
The drum beats out of time

time after time
time after time
time after time
time after time
time after time
time after time
time after...
