

# Virus

Blaze Bayley

There's an evil virus that's threatening mankind  
Not state of the art, a serious state of the mind  
The muggers, the backstabbers, the two faced elite  
A menace to society, a social disease  
Rape of the mind is a social disorder

The cynics, the apathy one-upmanship order

Watching beginnings of social decay

Gloating or sneering at life's disarray  
Eating away at your own self esteem  
Pouncing on every word that you might be saying

Rape of the mind is a social disorder

The cynics, the apathy one-upmanship order

Superficially smiling a shake of the hand

As soon as the back is turned treachery is planned

Rape of the mind is a social disorder

The cynics, the apathy one-upmanship order

Watching beginnings of social decay

Gloating or sneering... at life's disarray

When every good thing's laid to waste by all the jealousy and hate

By all the acid wit and rapier lies  
And every time you think you're safe, and when you go to turn away  
You know they're sharpening all their paper knives

All in your mind, all in your head, try to relate it

All in your mind, all in your head, try to escape it

Without a conscience they destroy, and that's a thing that they enjoy

They're a sickness that's in all our minds  
They want to sink the ship and leave, the way they laugh at you and me  
You know it happens all the time

All in your mind, all in your head, try to relate it

All in your mind, all in your head, try to escape it

The rats in the cellar, you know who you are

The rats in the cellar, you know who you are  
The rats in the cellar, you know who you are  
The rats in the cellar, you know who you are

Or do you? Or do you?

Or do you? Or do you?

Watching beginnings of social decay...
