

## Down Here Where I Am

Blaze Foley

The river's overflowin'  
Down here where I am  
The rain keeps on pourin'  
Can't get into town

I guess I may start walkin'  
'Fore the mornin' come  
And I'll be there tomorrow  
With my chosen one

The miles don't seem so many  
Thinkin' of your charms  
And pleasures unlike any  
Wrapped up in your arms

The river's overflowin'  
Down here where I am  
The rain keeps on pourin'  
Can't get into town

The river's overflowin'  
Down here where I am  
The rain keeps on pourin'  
I can't get into town
