

## Virus

## Blaze

There's an evil virus that's threatening mankind Not state of the art, a serious state of the mind The muggers, the backstabbers, the two faced elite A menace to society, a social disease

Rape of the mind is a social disorder The cynics, the apathy on e-upmanship order

Watching beginnings of social decay Gloating or sneering at life's disarray Eating away at your own self esteem Pouncing on every word that you might be saying

Rape of the mind is a social disorder The cynics, the apathy on e-upmanship order

Superficially smiling a shake of the hand As soon as the back is turned treachery is planned

Rape of the mind is a social disorder The cynics, the apathy on e-upmanship order

Watching beginnings of social decay Gloating or sneering... at life's disarray

When every good thing's laid to waste By all the jealousy and hate By all the acid wit and rapier lies

And every time you think you're safe And when you go to turn away You know they're sharpening all their paper knives

All in your mind All in your head Try to relate it

All in your mind All in your head Try to escape it

Without a conscience they destroy And that's a thing that they enjoy They're a sickness that's in all our minds

They want to sink the ship and leave The way they laugh at you and me You know it happens all the time

All in your mind All in your head Try to relate it

All in your mind All in your head Try to escape it

The rats in the cellar you know who you are.... Or do you?

Watching beginnings of social decay....
