

Andy's Doin' Time

Bleach

oh no, andys doin' time
mike said his home schools fine
and jimmy, the job never ends
now you gotta start again
mom said that kathys great
look now, cause angies staying up late with journey
shari and jenn and I'm so glad they're friends
so I move on and on into the sun
you say I'm the lucky one
am I really the lucky one
hey josh, hows the service
all this talk of war makes me nervous
but deisel is comin' to the show
tell me something I don't know
I know that winstons the man
If you go in you better hide your hands
I bet that mamas been cookin' something good
I'd head home if I could
but I gotta move on and on into the sun
you say I'm the lucky one
am I really the lucky one
am I the lucky one
yea the lucky one
oh shack, I know moneys tight
but man don't give up the fight
cause we're moving on and on and on
we'll head out torwards the sun
cause we're the lucky ones
yea the lucky ones
