

Rock N Roll

Bleach

I want you to know how I feel...About you about you
about you...I want you to know ~ I want you to know
how you feel...About me about me about me...I want you
to know ~ Here I stand upon this stage...Surrounded by
a see-through cage...I'm content to sing and shout...
If you're content to hear me out...I've got a reason
to rock this place ~ And so I'm turning up my mic...
I'm gonna Rock N Roll all night...In ultrasonic
stereo...I'll tell you about the One I know...I've
got a reason to rock this place ~ I want you to know
I want you to know...I want you to know I want you to
know...I want you to know I want you to know...I want
you to know I want you to know ~ I want you to know...
It's more than Rock N Roll...I gotta superphonic saying
in my brain and it's gonna blow...
