

## Jack And White

## Bleed The Dream

Jaded, washed out  
These clothes don't even fit me anymore  
But I'll try, to get up  
Cause I don't feel like sleeping anymore

I know your teeth are sinking in  
And my scars are proof of where I've been  
And I'm struggling to keep my sanity  
Cause there's no point in breathing in

There's no point in breathing in

So far, so bad  
This month I died a little every day  
But I'll smile, just for you  
So you don't have to see me this way

I know your teeth are sinking in  
And my scars are proof of where I've been  
And I'm struggling to keep my sanity  
Cause there's no point in breathing in  
(2x)
