

## In Your Life

Blessid Union Of Souls

Well what started as laughter somehow turned to pain  
And what sounded like thunder was confirmed by the rain  
And what once felt so wonderful feels like despair  
And on the door I was knockin' on hangs a sign that says that n  
o one is there  
Anymore

Is there any room left in your life for me, in your life me?  
Is there any love left in your heart for me, in your heart for  
me?  
Are there any tears left in your eyes for me?

Now the silence speaks so loud that we never say a word  
So the thoughts that we're thinking are never really heard  
And all the smiles that we're forcing reveals what we both know  
That it was only a matter of time before one of us decided we s  
hould go  
Our separate ways

Is there any room left in your life for me, in your life me?  
Is there any love left in your heart for me, do you want apart  
from me?  
Is there any time left in your life for me, in your life me?  
Are there any tears left in your eye for me, would you cry with  
me?

'Cause I think that we've been holding on too long  
And I think we've been hiding what was wrong  
And it breaks my heart to have known that all along  
I was losing you before you were ever gone

Is there any room left in your life for me, in your life me?  
Is there any love left in your heart for me, do you want apart  
from me?  
Are there any tears left in your eyes for me, in your eyes for  
me?  
Is there any room left in your life for me, in your life me?
