

Autobahn

Blessing Offor

Up for anything
Down for anywhere
Wanna make a scene?
I'm already there
I am not a king
But you never cared
Cause when you look at me
I'm already there

Money or not
Broke or on top
Got your hand in my pocket
And there's nobody I'd rather chase the stars with

Have you ever gone 180 on the autobahn?
I think we should do it
Maybe we should get loose
Crazy to the rhythm of the bass in the music
It's ok, it's alright, it's ok, it's alright
It's ok, it's alright, it's ok, it's alright
It's you, it's me, it us, it's life
It's ok, it's alright, it's ok, it's alright

Let's tattoo our names against the midnight sky
Like who's gonna tell us that the kids ain't wild?

Money or not
Broke or on top
Got your hand in my pocket
And there's nobody I'd rather chase the stars with

Have you ever gone 180 on the autobahn?
I think we should do it
Maybe we should get loose
Crazy to the rhythm of the bass in the music
It's ok, it's alright, it's ok, it's alright
It's ok, it's alright, it's ok, it's alright
It's you, it's me, it us, it's life
It's ok, it's alright, it's ok, it's alright

And my heart is yours
And my scars fit yours
And my arms need yours
(Yeah yeah yeah)
(Yeah yeah yeah)

And my heart is yours
And my scars fit yours
And my arms need yours
(Yeah yeah yeah)

Have you ever gone 180 on the autobahn?
I think we should do it
Maybe we should get loose
Crazy to the rhythm of the bass in the music
It's ok, it's alright, it's ok, it's alright
It's ok, it's alright, it's ok, it's alright

It's you, it's me, it us, it's life
It's ok, it's alright, it's ok, it's alright
It's ok, it's alright, it's ok, it's alright
It's ok, it's alright, it's ok, it's alright
