

# Bad

Blessing Offor

Story old this time itself  
Girl loves boy, boy gives girl hell  
But this time might be the other way around  
I was bad as bad can be  
Everybody's fantasy  
Till I met the baddest girl  
Hands down, yeah

She's too bad, bad, bad  
She's too bad, bad, bad  
She's too bad for me  
She's too bad for me, yeah  
She's too bad, bad, bad  
She's too bad, bad, bad  
She's too bad for me  
She's too bad for me, yeah

Sticks and stones may break my bones  
But your words destroy my soul  
Make me wish that broken bones was all I had  
Your heart is colder than I knew  
You all warned me about you  
Said you always liked your boys a little bad

She's too bad, bad, bad  
She's too bad, bad, bad  
She's too bad for me  
She's too bad for me, ha  
She's too bad, bad, bad  
She's too bad, bad, bad  
She's too bad for me  
She's too bad for me

Sticks and stones may break my bones  
But a broken heart won't heal as easy  
Sticks and stones may break my bones  
But a broken heart won't heal as easy  
Sticks and stones may break my bones  
But a broken heart won't heal as easy

She's too bad, bad, bad  
She's too bad, bad, bad  
She's too bad for me, yeah  
She's too bad for me, yeah  
She's too bad, bad, bad  
She's too bad, bad, bad  
Bad for me, yeah  
She's too bad for me, yeah  
She's too bad, bad, bad  
She's too bad, bad, bad for me  
She's too bad for me, yeah  
She's too bad, bad, bad  
She's too bad, bad, bad  
She's too bad for me ha  
She's too bad for me, yeah
