

Believe

Blessing Offor

So You catch me when I fall, right?
And You hear me when I call cryin'
And You fix me when I'm broke, right?
And that's all I need to know
So the storm is gonna break right?
And the sun is gonna start shining
And everything is gonna go right
And that's all I need to know

But what if You know something I don't?
What if You will something I won't?
If You don't give me what I want
But You give me what I need
Is that enough to...

Believe, believe, believe, believe in Your love?
Will I still
Believe, believe, believe, believe in Your love?

So nothing's ever going wrong, right?
And every day I'm gonna be smiling
Turned my water into good wine
And let the good times roll

But what if You know something I don't?
What if You will something I won't?
If You don't give me what I want
But You give me what I need
Is that enough to...

Believe, believe, believe, believe in Your love?
Will I still
Believe, believe, believe, believe in Your love?
Believe, believe, believe, believe in Your love
Will I still
Believe, believe, believe, believe in Your love?

Do I want You? Do I want You?
Do I want You or what You can do for me?
Do I love You? Do I love You?
Do I love You or what You can do for me?
Sometimes I don't know
But all I wanna do is

Believe, believe, believe, believe in Your love (Yes, I do)
Believe, believe, believe, believe in Your love
(All I wanna do, all I wanna do is believe)
Believe, believe, believe, believe in Your love (Yes, I do)
Believe, believe, believe, believe in Your love
(Believe in Your love)
Believe, believe, believe, believe in Your love (Yes, I believe)
Believe, believe, believe, believe in Your love
(I believe, I believe, I believe)
Believe, believe, believe, believe in Your love
(In Your love, in Your love, in Your love)
Believe, believe, believe, believe in Your love
