

Crying Out Loud

Blessing Offor

Phone rings
Already know somehow
Something's
'Bout to come crashing down
And nothing's gonna be the same
Nothing's gonna be the same
They try
Try to relate with words
Each time
They only make it worse
Don't know where to hide the pain
Feel it coming on again

Here I am
Crying out loud
Tears like rain
Come pouring out
Boys don't cry
Tryin' to keep 'em down
But here I am
Crying out loud

All the
Things that I should have said
Replay
Spinning around my head
Wish that I could hit rewind
Say I love you one more time
Heart strings only play sad songs
I sing but it comes out wrong
Try to sleep but I'm wide awake
Feel it coming on again

Here I am
Crying out loud
Tears like rain
Come pouring out
Boys don't cry
Tryin' to keep 'em down
But here I am
Crying out loud

Earth keeps spinning but my world don't
When you lose somebody that you can't let go
Boys don't cry
You should know by now
But here I am
Crying out loud

Falling on my knees
Living in a nightmare
Now you're not here helping me dream
How can that be

Here I am
Crying out loud
Tears like rain

Come pouring out
Who am I without you now
Here I am
Crying out loud

Earth keeps spinning but my world don't
When you lose somebody that you can't let go
Boys don't cry
You should know by now
But here I am
Crying out loud
Crying out loud
Crying out loud

Boys don't cry
You should know by now
But here I am
Crying out loud
Crying out loud
Crying out loud

Boys don't cry
You should know by now
But here I am
