

# God With Us

## Blessing Offor

The least of these  
The runaways  
The living on the streets  
All the ones with no name

The weary and weak  
The down and under  
While they're begging please  
Oh do you ever wonder?  
Do you ever wonder?

Could that be God with us?  
Could that be God with us?  
The world wandering lost and alone  
Don't got the change near enough to get home  
A miracle grace  
A child with no place  
Humble and holy all in one  
Could that be God with us?

Listen now

The empty hands when we have so much  
We don't help the man who needs it from us  
Don't you understand that the least of these  
Was the son of man? Oh could that be?  
Could that be?

Could that be God with us?  
Could that be God with us?  
The world wandering lost and alone  
Don't got the change near enough to get home  
A miracle grace  
A child with no place  
Humble and holy all in one  
Could that be God with us?

Behold, I bring you good tidings of great joy  
Which shall be to all people  
For unto you is born this day in the city of David a Savior  
Which is Christ the Lord. And this shall be a sign unto you  
Ye shall find the babe wrapped in swaddling clothes, lying in a manger

Could that be God with us?  
Could that be God with us?  
The world wandering lost and alone  
Don't got the change near enough to get home  
A miracle grace  
A child with no place  
Humble and holy all in one  
Could that be God with us?
