

Gravity

Blessing Offor

Oh
Gravity is working against me
Oh
Gravity just wants to bring me down

Oh, I'll never know
What makes this man, with all the love his heart can stand
Dream of ways to throw it all away

Oh
Gravity is working against me
Oh
Gravity, well, it just wants to bring me down

Twice as much ain't twice as good
And, no, it can't sustain like one half could
It's wanting more that's gonna send me to my knees

Oh, twice as much ain't twice as good
And, no, it can't sustain like one half could
It's wanting more that's gonna send me to my knees

Oh
Gravity, stay the hell away from me
Oh
Gravity has taken better men than me
How can that be?
How can that be?

Just keep me where the light is
Would you just keep me where the light is?
Would you just keep me where the, keep me where the, keep me where the
ere the
Keep me where the, keep me where the light is

Just keep me where the, keep me where the, keep me where the
Keep me where the, keep me where the, keep me where the light is
s
Oh, would you just keep me where the light is?
Keep me where the light is, keep me where the light is
Keep me where the, keep me where the light is, yeah
Keep me where the light is, yeah
Keep me where the light is
Keep me where the light is
