

I'll Take It

Blessing Offor

I'm hard headed
But don't you know
I think about you all the time
It was hard to get you
I took it slow
Now I gotta work to keep you mine

And I know you say
I gotta go
Been one too many days where I made you cry
I'm hard headed
Yeah, I know
But I don't know how to say goodbye

So if the blame is mine, I'll take it (You know that I'll take it, take it)
I'll apologize and be patient (I'll always be patient, patient)
If you could read my mind
Every chapter, verse, and line
It would say this (Yes, it would)
Baby, don't you cry 'cause we'll make it
If the blame is mine, I'll take it
I'll take it
Yeah

Yeah, they say it
All the time
You can't be a king 'till you meet a queen
Yeah, I'll pay it
Name the price
Everything I got if you never leave

So if the blame is mine, I'll take it (You know that I'll take it, take it)
I'll apologize and be patient (I'll always be patient, patient)
If you could read my mind
Every chapter, verse, and line
It would say this (Yes it would)
Baby, don't you cry 'cause we'll make it (We'll make it)
If the blame is mine, I'll take it
(Yes, I will) I'll take it
Baby, I'll
Baby, I'll

(Yeah, I) I can see the ways that I hurt you
Every second chance that you gave that I burned through
Ain't no one I'd rather turn to
I can see the ways that I hurt you
Every second chance that you gave that I burned through
Ain't no one I'd rather turn to

If the blame is mine, I'll take it (You know I'll take it)
I'll apologize and be patient (Apologize, I'll be patient)
If you could read my mind
Every chapter, verse, and line
It would say this (Yes, it would)
Baby, don't you cry 'cause we'll make it (Baby, don't you cry)
If the blame is mine, I'll take it (Baby, I'll take it, I'll take it)

(Baby, I'll take it, I'll take it) I'll take it
(Baby, I'll take it, I'll take it) Yes, I will
(Baby, I'll take it, I'll take it) Yes, I will
(Baby, I'll take it, I'll take it) You know I will
I will (Baby, I'll take it, I'll take it)
I'll take it
