Blessing Offor

So what do you say to a family, a country, and a continent that
you haven't seen in over twenty-five years?
Because, of course, it would be wrong for me to start this jour
ney without addressing them
It is all of their prayers that's put me on this stage that I'm
on right now
Look at God
So y'all, don't mind me while I talk to home really quick

Nma na dadii
De ebere, de emeka, de chidi, de peace, na de mercy
Nde Igbo n'ine
Nde Nigeria n'ine, nde Africa n'ine
E che fu bem unu
E che fu bem unu m'otu m'otu
A huru'm unu n'ine n'anya
