

## Like A Child

### Blessing Offor

I remember when the Christmas tree was so much taller than me  
I remember when the snow outside was a mountain I could never climb  
I remember thinking, "Hopefully, Santa Clause did not forget about little old me"  
Little old me

Like a child  
Loving the season like a child  
Keep on believing like a child  
That miracles happen if you just imagine like a child  
My heart is tender like a child  
I will surrender like a child  
For unto us, both meek and mild  
Was a child

I remember going caroling, yeah  
Never knowing all the words to sing, and  
I remember the smell of a fireplace  
And the air everywhere around the holidays  
I remember thinking, "Why  
Why can't we just be this nice all the time?"  
All the time

Like a child  
Loving the season like a child  
Keep on believing like a child  
That miracles happen if you just imagine like a child  
And my heart is tender like a child  
And I will surrender like a child  
For born to us, both meek and mild  
Was a child

It's a miracle  
It's a mystery  
It's peace on earth  
Are you listening?  
To the angels tell you of a new born king, oh  
It's a miracle  
Don't be blind  
To everything beyond your eyes  
All you have to do is learn to be, oh, ooh

Like a child  
Loving the season like a child  
Keep on believing like a child  
That miracles happen if you just imagine like a child  
And my heart is tender like a child  
And I will surrender like a child  
For born to us, both meek and mild  
Was a child
